

About The Firm

Norman Hanson DeTroy, LLC, is one of Maine's most respected law firms and among the largest in northern New England. Since 1975, we've been proud of our reputation for hard-driven, results-oriented, no-nonsense representation in the wide variety of practice areas that our clients expect and need.

"Experienced. Efficient. Effective." is more than just a tag line for us. Those words embody the core values we put to work for each of our clients every day.

NHD offers clients the best opportunity for cost-efficient representation. We boast an exceptional depth of lawyers in all experience ranges. Individual and business clients can rest assured knowing that their cases will be assigned to the lawyers with the most appropriate experience and at rates commensurate with the complexity of the issues and the amounts at stake. Our lawyers learn early in their careers how to identify essential discovery, save litigation resources, and reduce costs.

The firm's focus on efficiency does not come at the cost of effectiveness. Our attorneys are respected in their specialties by their peers locally, regionally, and nationally for the favorable results they achieve in all phases of litigation, from mediations to trials and appeals.

NHD is a member of ALFA International, the global legal network. With 145 member firms across the globe (80 in the United States) ALFA International is the premier global network of independent law firms whose success is driven by broad, deep, local relationships all over the world. The ALFA International model enables NHD to use its local expertise to deliver highly effective legal solutions while drawing upon the collective wisdom and experience of other member firms within the United States and around the world as needed.
